

# How to Identify and Teach the Dyslexic Learner

A course for Teachers, Teaching Assistants/LSAs and Parents

This ten-week course is designed to give many of the practical skills and techniques needed for teaching dyslexic students. It includes:

- Recognising Dyslexia
- Initial Development of Reading Skills
- Handwriting
- Development of Working Memory
- Techniques to Aid Spelling
- 6 Assignments

This course is suitable for Teachers, TAs/LSAs and those working in schools. It is also suitable for parents who have attended our 'Understanding Dyslexia' course designed for parents of dyslexic children.
