## How does Dyslexia affect your workplace?

Understanding Dyslexia can help to improve **your business's** productivity and performance.

Dyslexia affects at least **one in ten** people in the UK. Your organisation **will be affected** either because you have dyslexic staff members, or the people you interact with are dyslexic.

**You tell us what you need to know - we can answer your questions.**

We offer a one-hour **Discover Dyslexia** session for up to 20 staff members, delivered at your workplace, for £150\*.
