

Understanding Dyslexia

A course for Parents with Dyslexic Children

Are you concerned that you do not know how to help your child?

Are you confused by assessment jargon, 'teacher-speak' and paperwork?

Whether your child has been assessed as dyslexic or you just feel there may be a difficulty, this interactive 8-week course is for you. It includes:

- Reading to Learn & Learning to Read
- Spelling and Handwriting
- Maths and Dyslexia
- Homework and Study Skills
- Assessments, screening tests and statements
- The role of the SENDCo
